

**7.7 BILLION PEOPLE
BUT ONE LANGUAGE
GUESS!**

**YES! THAT'S
SMILE!**

“ We pledge to provide a quality product at a reasonable price. If you come in we will give you a reason to come back ”

ABOUT US

Penta Orthodontics metamorphosed from a small scale manufacturing unit, specialized in research, development and manufacturing of latex based medical products.

With our outstanding R&D backup and facility, we have managed to build a good rapport with other research and dental professionals. To meet our growing demand, we have a good sales network which is growing across India and even to other countries

Our focus is now on developing world-class orthodontics products.

Having a state of the art manufacturing facility, ranked No. 1 in quality.

WHY CHOOSE US?

- ✓ **Our vision** is to design, create and customize innovative orthodontic products that help dentists to provide comfort and confidence to their patients.
- ✓ **Our Mission** is to provide orthodontic materials that make dental procedures a pleasant experience
